

Highly Capable Program Permission to Test Form

I give permission for Spokane International Academy to assess my child for services in the highly capable program. I understand that by giving permission for my child to be assessed I still have the right to refuse services should my student qualify.

I also understand that services provided to my child will vary depending on the program they attend and the circumstances of each content area. Each academy will develop its own program based on available resources, staffing, and research-based, age-appropriate best practices.
